

Who are we?

All proceeds from this race are donated to the Sarcoma Foundation of America to fund research to find new and better therapies to treat patients with Sarcoma.

Through this race, we remember and celebrate the life of Bud Swanson. Bud left life here after a race against sarcoma, a rare type of cancer. Bud coached girls' cross-country and track at Glenbard North High School in Carol Stream for 18 years. Among his friends, family, and colleagues, Bud's commitment to running as a way to be physically and mentally healthy is well known. This race is our way of embracing that mission.

Join us on June 23rd, 2012 to celebrate life and our fitness. Sign up to walk, run, sponsor, or volunteer today at budsrn.org.
